EXPERIENCE

September 2023 - Present

Frontend Developer

Xtratech Global Solution, Abuja, Abuja

- Contributed to the development and execution of strategies that led to members and agents enjoying monthly royalty benefits.
- Spearheaded the conception, design, and implementation of a comprehensive monitoring portal for Xtrapay.
- Implemented real-time payments and enabled low-cost interbank transfers, streamlining financial transactions.

April 2022 - July 2022

Front End Developer

FlexiSaf Edusoft, Abuja, Abuja

- Created maintainable reusable components that reduced development time by 23%.
- Collaborated closely with the back-end developers to integrate API calls into the front-end codebase.
- Design an EdTech web application using React and NodeJS with a team of 8 developers.

April 2022 - June 2022

React Developer

Ultainfinity Global Group, London, London

- Followed documentation to always remain up-to-speed on what needs to be updated in response to new release versions
- Worked closely with an agile team of 10 members and provided end-to-end solutions for clients
- Produced multiple visual elements of web applications by translating UI/UX design wireframes into code, creating high-quality markup using React and tailwind
- Built reusable UI components that can be used across multiple projects.

June 2021 - December 2021

Software Developer Trainee

TIIDELab

- Worked with the engineering team to develop a flexible well-structured front-end architecture Fintech app, along with APIs using React framework
- Converting UI designs into React Reusable components
- Analyze UI/UX design for responsive layout to improve usability
- Developing Responsive Web Application across platforms and mobile apps using JavaScript, React, in front-end.
